FALL CONFERENCE COMMENTS

January 23, 2012

Dear Members:

During our Conference in September the hotel experienced a power failure which we understand was an inconvenience to some of our members.

The hotel has made a contribution to our Major Projects Committee to be used for our charitable endeavors. While we would like to use this money for charitable projects, some members have requested compensation for their inconvenience. Accordingly it is suggested that those of you who feel that you are entitled to some type of reimbursement, please send me your name, address, Lodge number, a copy of your paid bill, and a brief summary of the inconvenience you experienced. We will then process your request as rapidly as possible.

It is estimated that one night's rental would amount to approximately \$97.00. We would appreciate having this information sent to my office no later than March 15, 2012.

Thank you for your interest, and we wish all of you a Happy New Year.

Fraternally,

Paul G. Erkkinen
COO, NYS Elks Association
